Mr. Marvin Thurber
Director of Public Works
City of Broomfield
Number Six Garden Office Center
P.O. Box 1415
Broomfield, CO 80038-1415

Dear Mr. Thurber:

The U.S. Department of Energy (DOE) Rocky Flats Field Office (RFFO) is submitting to the City of Broomfield the Draft Final Pond Water Management Interim Measures/ Interim Remedial Action (IM/IRA) Decision Document. This document is still in draft form, pending incorporation of comments from the Environmental Protection Agency (EPA) and the Colorado Department of Public Health and the Environment (CDPHE).

In the letter transmitted to RFFO from EPA regarding development of this IM/IRA, it was stated that "EPA expects the IM/IRA to be developed and released to the public for comments at the same time as the draft renewal [National Pollutant Discharge Elimination System (NPDES)] permit." At this time, EPA has not responded to RFFO's comments on the initial draft of the NPDES renewal permit, and it appears that there is no current schedule for completion of the draft permit. RFFO will keep the city informed as to the status of the draft NPDES permit, and other issues concerning this draft IM/IRA.

If you have any questions concerning this document please contact me at 966-3424, or Annette Marquez at 966-6247.
